Sir,

I have the honour to inform you that in the year 1894-95 the building of the old Taluk Cutcherry at Nagamangla was made over to the Education Department for the accommodation of the schools at that station, as the temple now used as a school building is unsuitable The Taluk Cutcherry building requires repairs and alterations to adapt it for the purposes of the schools The revised estimate prepared for the necessary repairs and alterations by the Executive Engineer, French Rocks Division, which is enclosed for reference - herewith to be kindly returned, amounts to Rs 1,100 exclusive of the establishment charges of the Public Works Department The work will be carried out through the agency of the

Public Works Department, and the establishment charges on the estimated cost will come to Rs 110. I request that Government may be pleased to sanction the amount of Rs 1210 required for the cost of repairing and altering the Taluk Cutcherry building referred to from the provision of Rs 10,000 allotted for "all other new works" under "Taluk School Buildings" in the State Funds Budget of the Education Department for the current official year 1896-7.

I have the honour to be,
Sir,
Your most obedient servant,
